

## Pack 'n' Snap

### Building / Surface Protection

- Corrugated profile for additional grip
- High density plastic maintains shape
- Rot & moisture resistant

### SIMPLY WEDGE IN AND SNAP OFF FOR A NEAT FINISH

Whites' Pack'n'Snap is a set of 12 easy-to-use packing wedges, great for leveling, stabilising and vibration reduction. The composite material is strong and rot resistant, while the ridged surface makes it easy to snap and gives a neat finish with no trimming needed.
