

Brunswick Panel Edging

Garden Edging / Edging Panels

- Ideal for flower beds, paths and driveways
- Modular - add or remove panels as needed
- Helps keep animals off flower beds

DECORATIVE HERITAGE STYLE

Whites Brunswick Panel Edging is a decorative, modular panel ideal for flower beds along paths, driveways and in backyards. The heritage style finial adds a decorative touch while the popular black finish is discreet allowing the full colour of your plants to show through.

Easy to install:

- simply push the two steel legs firmly into the ground - no digging required
- the modular built-in hook system means you can add extra panels in straight runs or at angle
