- Flexible
- 95% recycled material
- Litre marks included for easy use
- Strong handle

RUBBER BUILDER'S BUCKETS

Whites Builder's Buckets are trade quality and tough buckets, ideal for rough trade applications such as mixing concretes and renders. Made from 95 percent recycled material, these buckets are flexible and will stand up to heavy trade use.

Code	Product Description	Size	MOQ	Barcode
14080	Builder's Bucket	12L	5	9312261140809
14084	Builder's Bucket	20L	5	9312261140847
