

Gate Bow Latch

Fencing Solutions / Gates & Fittings

- Gate Latch set - suits all posts
- Screw or weld on
- Suits 25NB gates

GATE BOW LATCH

Whites Gate Bow Latch is an easy-to-use gate fitting that can be screwed or welded into place.

For installation: ensure that you use screws that are suitable for the type of post; Gate Bow Latch can also be welded on steel posts.

To use: simply lift off the latch, drop-on to the gate and secure the latch.

It suits 25NB gates.
