PLANT WHAT YOU WANT, WHERE YOU LIKE!

Turns any wall, fence or vertical space into a living, growing green wall or edible garden.

Whites Garden Up Grande Duo is an easy to install wall mounted solution and accommodates most spaces, small and large. You can personalise your backyard or balcony with your choice of edible crops such as herbs, salad leaves and strawberries or an attractive floral display.

With its modular system, you can simply add more vertically or horizontally to expand your garden display.

Grande Duo is supplied complete with two Garden Up water-smart pots, and two mounting brackets that make it easy to remove from the wall when watering, re-potting or just re-arranging

Featuring a water-smart design with an integrated saucer, it conserves excess water and prevents over-watering.

Handy Hints:

- Use a premium quality potting mix (Australian Standards logo with four ticks) and water regularly.
- Depending on your plants, it's best to maximise the amount of natural light by positioning the plants in a sunny, north facing position.
- Always ask your gardening expert for the best plant varieties to suit your region and time of year.
