

Rose Ring

Plant Support / Obelisks & Trainers

- Supports roses and climbers
- Quick and easy to assemble
- 60cm ring, adjustable height
- Sturdy 2.4m, three-piece pole

DECORATIVE GARDEN FEATURE

Whites Rose Ring is decorative, durable and can be used in most pots or gardens to provide support for climbing roses. Supplied in a Powder-coated Green finish, this practical trainer not only looks great, it's quick and easy to assemble also.

3 easy steps:

1. Connect 3-piece pole
2. Attach ring & secure with screw provided
3. Insert pole end into ground
