

## V-Shape Fan Plant Trainer

Plant Support / Obelisks & Trainers

- Durable wire construction
- Quick and easy to use
- Beautifies your garden
- Available in a range of sizes

### DECORATIVE PLANT SUPPORT

Whites V-Shape Fan Plant Trainer is a decorative wire plant support, ideal for climbing plants.

Made from durable Black-coated wire, this plant trainer blends into any décor.

Easy to wall mount, it provides a robust trellis frame for climbing plants.

Available in three sizes: 45cm, 75cm and 90cm.

Code	Product Description	Size
18206	V-Shape Fan Plant Trainer	45cm
18207	V-Shape Fan Plant Trainer	75cm
