

Wire Strainers

Hobby Farm / Tools & Accessories

- Re-tighten fencing over time to prevent wire sag
- Available in two styles
- Galvanised steel construction

RATCHET AND HANDYMAN STYLES

Ratchet Style

Galvanised steel ribbed frame

- Smooth ratchet action
- Up to 4.00mm wire
- Tapered spool for ease of starting and aligning wire
- 16mm (5/8") square drive
- Stays on the fence line
- Tighten wire when it sags - simply with a spanner

Handyman style

- Cost-effective wire strainer
- Up to 2.50mm wire
- Stays on the fence line
- Tighten wire when it sags - simply with a spanner

Code	Product Description	Style
